A+ Schools Participation Agreement Jefferson C-123 High School

I wish to participate in Jefferson's A+ Program. Assuming state funds are available and designation is achieved, I will receive reimbursement for my unpaid balance of the cost of tuition to attend a Missouri public community college or vocational/technical school, after federal post-secondary financial assistance funds have been applied. Funds to pay these tuition incentives will be paid by the State of Missouri, not the Jefferson C-123 School District, PROVIDED state funds are appropriated by the Missouri General Assembly. I understand that if I successfully complete the requirements and graduate with A+ certification, that the tuition incentives may be available to me for a period of 48 months after high school graduation.

This is on condition that I meet all the following requirements:

- > I have a signed copy of the A+ Participation Agreement on file in the A+ office
- > I have attended a designated A+ School for three (3) consecutive years prior to graduation
- > I graduate from high school with a cumulative GPA of 2.5 on a 4.0 scale
- > I have at least a 95% attendance record for the four (4) year period
- > I perform at least fifty (50) hours of approved, unpaid tutoring
- > I maintain a record of good citizenship and avoid the unlawful use of drugs and alcohol
- > I register for Selective Service, if applicable
- > I make a good faith effort to first secure all available federal post-secondary student financial assistance funds that do not require repayment (FAFSA)

These standards will be reviewed semi-annually by the A+ Coordinator for approval of continued participation in the A+ Program.

In order to maintain eligibility during the 48 months years after high school, the student must:

- > Have enrolled and attended on a full-time basis a Missouri public community college or vocationaltechnical school
- Maintained a grade point average of 2.5 or higher on a 4.0 scale; and
- > Made a good faith effort to first secure all available federal post-secondary school financial assistance funds that do not require repayment (FAFSA)

Please sign and date below.

I understand the terms listed above and will follow the guidelines set forth by the State of Missouri and Jefferson C-123 to be an A+ eligible student and to have the option of using the tuition incentives provided state funds are appropriated by the legislature.
