Thought for the Week: The Chiefs began play as the Dallas Texans, with the birth of the American Football League(AFL) in 1960. Their owner Lamar Hunt, was also the founder of the AFL, and was only 28 years old at the time. Hunt later helped pave the way for the 1970 AFL/NFL merger, and became the first Chief inducted into the Hall of Fame in 1972.

*Who has kicked the longest field goal successfully of all time? Justin Tucker with a 66-yard field goal in 2022
