

All athletes photographed will be able to see their *images online 24-48 hours after picture day!* Each student will receive a personalized QR code that can be scanned to view their images. If that QR does not make it home, not to worry, families will get an emailed link!

- Families and students can pick their favorite pose and place their order online.
- All orders are now ship to home!
- We have some fun new products!
- No need to Preorder! No more having to send picture money to the school! You can simply view your favorite and place your order - all online!
- We just love our new software changes and we are sure you are going to enjoy the ease of picture day!
